

The Village Voice

The Village of Ada will be running informational articles about Village policies and services currently offered. These articles will be for informational purposes only, and further details and the complete Codified Ordinances may be found on the Village website, www.adaohio.org, or by calling the Village Water Office at 419-634-4045.

Watering your garden and/or lawn with potable water? Consider the Summer Sewer Credit

Each summer, many Ada residents increase their water usage as a result of watering their gardens and lawns. Per Codified Ordinance 921.13, residents may apply for a sewer credit to help offset that added Sewer expense.

An annual fee of \$5.00 must be paid in order to qualify for the credit. That payment can be made at the Water Office, beginning immediately.

The credit amount is figured by taking the average usage over the previous 8 months, which would include usage for October to May. That credit is then applied to the Sewer portion on your sewer account each month that the credit is available.

The credit is available for the billing periods of June, July, August and September. The credit is sometimes applied to your account after the bill has been printed, so you may need to contact the Water Office to get your balance with the credit. If you are in doubt of having received the credit, and have paid the \$5.00 fee, please contact the Water Office at 419-634-4045.
