

The Village Voice

The Village of Ada will be running informational articles about Village policies and services currently offered. These articles will be for informational purposes only, and further details and the complete Codified Ordinances may be found on the Village website, www.adaohio.org, or by calling the Village Water Office at 419-634-4045.

New 2012 Recycling Pick Up Schedule available; disposing of holiday refuse

If you have your refuse and recycling picked up by Waste Management as part of the Village contracted program, you may rely on the calendar of recycling dates provided at the end of the year. Those calendars are now available for 2012. The schedule for recycling pick up remains the same for 2012, with recycling being picked up every other week.

You may pick up the 2012 calendar in the Water Office, and you may also view it on our website at www.adaohio.org.

The holidays often find us with an excess of many things, including refuse. Please remember to call the Water Office at 419-634-4045 or contact the office via email through the Village website, by the end of the day on Monday of each week, if you will have extra items for the regular weekly refuse pick up. Waste Management may leave items that are outside of totes if we do not hear from you.

For your safety, please be sure to bag any refuse, including boxes and packaging. Refuse pickup after the holidays can be an ideal time for would-be thieves to scope out what new electronics and toys you may have received based on the boxes that have been left out for pick up.

Once the lights and ornaments come off live Christmas trees, many people wonder what to do with the trees. Waste Management will pick up trees placed with the regular refuse pick up.

Holiday reminder: The Water Office will be closed on Monday, January 2, 2012, in observance of the New Year holiday.
