

The Village Voice

The Village of Ada will be running informational articles about Village policies and services currently offered. These articles will be for informational purposes only, and further details and the complete Codified Ordinances may be found on the Village website, www.adaohio.org, or by calling the Village Water Office at 419-634-4045.

2011 Municipal Income Tax Forms available

The Village of Ada utilizes the services of Central Collection Agency (CCA), Division of Taxation, for municipal income tax issues. If you have filed municipal taxes in years past, you are may be accustomed to receiving a tax package, including tax forms, from CCA each January. In the interest of reducing costs, CCA will no longer be mailing those forms directly to you. You may receive an informational postcard in the mail from CCA, explaining the change to you.

The Village/Water office now has copies of the 2011 tax forms available. We will also be providing the Ada Public Library with a limited number of forms.

Taxpayers are able to file their municipal taxes via CCA's website: www.ccatax.ci.cleveland.oh.us. There is also a link to the website on the Village's website: www.adaohio.org.

Please remember that by ordinance, Ada residents are subject to mandatory filing for municipal taxes. If you have earned income within the Village, you are required to file municipal taxes. CCA is a customer-oriented business, and welcomes questions at 1-800-223-6317. CCA will be in Ada to assist taxpayers with their municipal tax forms. Those sessions will be held at the Depot on April 4, 2012, from 4 pm to 7 pm, and April 14, 2012, from 10 am to 2 pm.

As you prepare your 2011 municipal taxes, please remember the Ada tax rate was adjusted mid-year by a vote of the resident voters. The applicable tax rate for wages earned from January 1, 2011 through June 30, 2011 was 1.15%. The tax rate for wages earned from July 1, 2011 through December 31, 2011 was 1.65%. The tax rate for 2012 is 1.65%.

Municipal taxes are due by April 17, 2012.
