

The Village Voice

The Village of Ada will be running informational articles about Village policies and services currently offered. These articles will be for informational purposes only, and further details and the complete Codified Ordinances may be found on the Village website, www.adaohio.org, or by calling the Village Water Office at 419-634-4045.

Street Lighting Assessment Update

The Hardin County Auditor's Office has mailed property tax bills. If you took a close look at your bill, you may have noticed the special assessments are higher than expected. A mistake on the millage for the Ada Street Lighting Assessment was not discovered by the Village prior to the Auditor's office billing property owners. The amount to be collected was more than Council intended it to be.

Council began taking steps in Tuesday night's meeting to rectify the situation. The Village is working closely with the Auditor's Office to remedy this situation as quickly and efficiently as possible.

We apologize for the inconvenience and shock you probably had when you read your bill. Since this situation affects many people, we will continue to run updates to the situation through *The Village Voice*, as well as statements at Council meetings.
