Leaf Pick Up – Details and Schedule

As previous *Voice* articles have mentioned, the Village will once again be conducting Leaf Pick Up this fall. The first scheduled date of pick up is Monday, October 31st.

If you would like to have the Village pick up your leaves, there are a few guidelines that you are asked to follow.

Please rake leaves only to the tree lawn area the day prior to your scheduled pick up. If there is debris or any material other than leaves in the piles, the Village will not pick up your leaves, and you will be responsible for disposing of the leaves and debris. Debris could include, but is not limited to, tree branches, twigs, and yard waste. In previous years, non leaf material that has been in the leaf piles has caused substantial damage to the leaf machine. Such damage not only results in costly repairs to the equipment, it also causes the leaf pick up schedule to be delayed.

You may also bag your leaves for pick up by the Village. Please call the Water Office to let us know that you have bags, and the number of bags you have for pick up.

Garbage and recycling totes need to be removed from the tree lawn area immediately after they have been emptied on refuse pick up days.

Vehicles need to be temporarily moved from on street parking on the days that leaves are being picked up along your street.

A map of the Village pick up will be included with October water bills, which are scheduled to be mailed the week of October 24, 2011. The insert is also available in the Water Office, and online as a pdf on the Village website, www.adaohio.org. The pick up schedule is the same as in previous years:

Northwest District of the Village: October 31, November 7, 14, & 28. (Mondays)

Northeast District of the Village: November 1, 8, 15, & 29. (Tuesdays)

Southeast District of the Village: November 2, 9, 16, & 30. (Wednesdays)

Southwest District of the Village: November 3, 10, 17, & December 1. (Thursdays)

There will be no leaf pick up during the week of Thanksgiving (November 21-25.)

As appears in the *Ada Herald* on October 20, 2011
